

NOTICE
PROPOSED AMENDMENT TO THE BYLAWS
Article V. Section 13

16 April 2008

Currently reads:

Section 13.

The **Committee on Curricula** shall study the curricula of the various schools and colleges, consider all requests for curriculum-and course changes, and recommend action on such changes to the Senate. This Committee may initiate suggestions to the several departments designed to improve their curricula and courses, but it shall concern itself primarily with curricular matters affecting the University as a whole. The Committee shall also study interdepartmental, interdivisional, intercollege, area, and summer session programs; consider what programs are academically wise and financially practicable; and recommend to the Senate policy to the Senate policy concerning such programs.

[PROPOSED NEW WORDING]

The **Committee on Curricula** shall consider all requests of the various schools and colleges for curriculum changes, and recommend action on such changes to the Senate. This Committee may initiate suggestions to the several departments designed to improve their curricula, but it shall concern itself primarily with curricular matters affecting the University as a whole.
