"[Each activity/project should reference at least one learning objective.]"

Grading:

[Describe grading scheme, including grades or percentages for specific work or exams. Provide information to indicate how a student's grade is determined.]

[Update the corresponding grading table with the appropriate percentage ranges or total points.]

Grading Table*

Grades*	Grade points / credit*	Percentage Range	Total Points
A	4.0		
A-	3.66		
B+	3.33		
B	3.0		
B-	2.66		
C+	2.33		
C	2.0		
C-	1.66		
F	0		

NOTE: You may use this table to indicate percentages or points to earn each possible course grade. You can modify the two columns to the right to meet your specific course grading scheme, however you must clearly indicate to students what percentage or point total they must achieve to earn a final grade as indicated in the first column "Grades." Be sure to describe clearly how assignments are counted and weighted and any other methods used to determine final grade. Faculty may choose to present this information in another format, e.g., not a table as long as the requirements above are met.

NOTE: Attendance is expected in all courses, unless arrangements are made with the instructor. Therefore, it's recommended that instructors do not give points simply for attendance. However, it would be acceptable to allocate points for "class participation" for such things as preparation for, participation in, leading discussions and/or other forms of participation in class deemed appropriate by the instructor. Failure to attend class compromises a student's ability to participate; therefore, it would be acceptable for a student's grade to be reduced due to non-attendance.

* Grades of D and D- may not be assigned to graduate students

University Attendance Policy

Attendance in classes is expected in all courses at Syracuse University. Students are expected to arrive on campus in time to attend the first meeting of all classes for which they are registered. Students who do not attend classes starting with the first scheduled meeting may be academically withdrawn as not making progress toward degree by failure to attend. Instructors set course-specific policies for absences from scheduled class meetings in their syllabi.

It is a federal requirement that students who do not attend or cease to attend a class to be reported at the time of determination by the faculty. Faculty should use "ESPR" and "MSPR" in Orange Success to alert the Office of the Registrar and the Office of Financial Aid. A grade of NA is posted to any student for whom the Never Attended flag is raised in Orange SUccess. More information regarding Orange SUccess can be found [here](http://orangesuccess.syr.edu/getting-started-2/), at <http://orangesuccess.syr.edu/getting-started-2/>.

Students should also review the University's religious observance policy and make the required arrangements at the beginning of each semester.

Syracuse University Policies: Syracuse University has a variety of other policies designed to guarantee that students live and study in a community respectful of their needs and those of fellow students. Some of the most important of these concern:

Diversity and Disability (ensuring that students are aware of their rights and responsibilities in a diverse, inclusive, accessible, bias-free campus community) can be found [here](https://www.syracuse.edu/life/accessibilitydiversity/), at: <https://www.syracuse.edu/life/accessibilitydiversity/>.

Religious Observances Notification and Policy (steps to follow to request accommodations for the observance of religious holidays) can be found [here](http://supolicies.syr.edu/studs/religious_observance.htm), at: http://supolicies.syr.edu/studs/religious_observance.htm

Orange SUccess (tools to access a variety of SU resources, including ways to communicate with advisors and faculty members) can be found [here](http://orangesuccess.syr.edu/getting-started-2/), at: <http://orangesuccess.syr.edu/getting-started-2/>

Disability-Related Accommodations:

Syracuse University values diversity and inclusion; we are committed to a climate of mutual respect and full participation. There may be aspects of the instruction or design of this course that result in barriers to your inclusion and full participation in this course. I invite any student to meet with me to discuss strategies and/or accommodations (academic adjustments) that may be essential to your success and to collaborate with the Office of Disability Services (ODS) in this process.

If you would like to discuss disability-accommodations or register with ODS, please visit their [website](http://disabilityservices.syr.edu) at <http://disabilityservices.syr.edu>. Please call (315) 443-4498 or email disabilityservices@syr.edu for more detailed information.

ODS is responsible for coordinating disability-related academic accommodations and will work with the student to develop an access plan. Since academic accommodations may require early planning and generally are not provided retroactively, please contact ODS as soon as possible to begin this process.

Academic Integrity Policy:

Syracuse University's Academic Integrity Policy reflects the high value that we, as a university community, place on honesty in academic work. The policy defines our expectations for academic honesty and holds students accountable for the integrity of all work they submit. Students should understand that it is their responsibility to learn about course-specific expectations, as well as about university-wide academic integrity expectations. The policy governs appropriate citation and use of sources, the integrity of work submitted in exams and assignments, and the veracity of signatures on attendance sheets and other verification of participation in class activities. The policy also prohibits

students from submitting the same work in more than one class without receiving written authorization in advance from both instructors. Under the policy, students found in violation are subject to grade sanctions determined by the course instructor and non-grade sanctions determined by the School or College where the course is offered as described in the Violation and Sanction Classification Rubric. SU students are required to read an online summary of the University's academic integrity expectations and provide an electronic signature agreeing to abide by them twice a year during pre-term check-in on MySlice.
